

To whom it may concern,
I benefit from listening to XM Satellite Radio. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that you demand and deserve.

Regards,

Klay Anderson D.A., Q.B.E.
